

Proposed Changes to NCCR Regulation 6

New

~~{Deleted}~~

6.065 Written request for move to new location; issuance of new amended license upon approval of request.

1. A cannabis establishment may move to a new location under the jurisdiction of the same locality as its original location and regardless of the distance from its original location if the operation of the cannabis establishment at the new location has been approved by the locality. A locality may approve a new location pursuant to this subsection only in a public hearing for which written notice is given at least 7 working days before the hearing.

2. Except as otherwise provided in subsection 1, a cannabis establishment that wishes to move to a new location or commence operations at a location other than the location contained in the application of the cannabis establishment must submit a written request for relocation to the Board. The written request for relocation must include, without limitation:

(a) The name, current physical address, proposed new physical address and license or application number of the cannabis establishment;

(b) Documentation of a public meeting in which the locality of the proposed new location considered the relocation request;

(c) Documentation of land use approval for the new location by the locality;

(d) A professional survey demonstrating that the proposed location meets the distance requirements set forth in paragraph (a)(2)(II) of subsection 3 of NRS 678B.250;

(e) A signed, written attestation that the operation of the cannabis establishment at the new address will meet or exceed the merits of the location specified in the application submitted by the cannabis establishment;

(f) If establishment is operational, a detailed inventory report and plan to transfer inventory to new location; and

(g) Documentation the applicant owns the property, or has secured a lease or other property agreement that allows operation of a cannabis establishment on the property, or a letter from the landlord of the property stating the licensee is authorized to operate a cannabis establishment on the property.

3. The Board will consider each request received pursuant to subsection 2 and, after reviewing the documentation contained in the request, determine whether the request should be approved. Upon approval, the Board will issue to the cannabis establishment a new license which is amended to reflect the new address.

6.072 Training and instruction required before agent may begin work or service as volunteer.

1. A cannabis establishment shall ensure that training is provided to a cannabis establishment agent before that person begins to work or volunteer at or provide labor as a cannabis establishment agent at the cannabis establishment. Such training must include, without limitation:

(a) The proper use of security measures and controls that have been adopted by the cannabis establishment for the prevention of diversion, theft or loss of cannabis;

(b) Procedures and instructions for responding to an emergency; and

(c) State and federal statutes and regulations related to the use of cannabis.

2. In addition to the training set forth in subsection 1, a retail cannabis store shall ensure that instruction is provided to a cannabis establishment agent before that person begins to work or volunteer at or provide labor as a cannabis establishment agent to the retail cannabis store. Such instruction must include, without limitation:

(a) The different strains of cannabis;

(b) The different methods of using cannabis and cannabis products;

(c) Learning to recognize signs of cannabis abuse, impairment or instability in the use of cannabis by a consumer;

(d) Clinical effects of cannabis on the human body and how THC affects the consumer;

(e) Required warnings and literature which must be supplied to the consumer;

(f) Methods of refusing entry or sales to prohibited persons, including, without limitation:

(1) Verifying identification and using age verification devices;

(2) Education on the effects of cannabis on persons under 21 years of age; and

(3) Recognition of false or altered identification.

(g) Understanding the role of law enforcement in confirming compliance with laws and regulations relating to cannabis;

(h) Applicable state and local laws and regulations regarding cannabis;

(i) Preventing unlawful consumption of cannabis, including, without limitation, information regarding laws which prohibit open or public consumption of cannabis;

(j) Preventing the use of cannabis by persons under the age of 21 years, including, without limitation, laws which prohibit such use and the penalties for the violation of such laws;

(k) How to prevent and address disturbances; and

(l) The responsibility of the cannabis establishment agent to put into effect strategies adopted by the cannabis establishment to prevent the diversion of cannabis.

3. In addition to the training set forth in subsection 1, a cannabis testing facility shall ensure that instruction is provided to a cannabis establishment agent before that person begins to work or volunteer at or provide labor as a cannabis establishment agent to the cannabis testing facility. Such instruction must include, without limitation:

(a) The good laboratory practices adopted by the cannabis testing facility;
and

(b) The standard operating procedures and the quality control and quality assurance programs of the cannabis testing facility.

4. In addition to the training set forth in subsection 1, a cannabis cultivation facility shall ensure that instruction is provided to a cannabis establishment agent before that person begins to work or volunteer at or provide labor as a cannabis establishment agent to the cannabis cultivation facility. Such instruction must include, without limitation:

(a) The methods of cultivation used by the cannabis cultivation facility;

(b) The methods of fertilization used by the cannabis cultivation facility;

(c) Methods for recognizing the signs of insect infestation, pathogens and disease in cannabis plants, and the procedures for eradication and the safe disposal of plants so affected;

(d) The nutritional requirements of cannabis plants at various growth stages, including, without limitation, proper mixing and dispersal of fertilizer, flushing procedures and procedures for postharvest trimming, drying and curing; and

(e) The safe handling of equipment, including, without limitation, high-intensity discharge lamps, electrical ballasts, pumps, fans, cutting implements and other equipment for cultivation.

5. In addition to the training set forth in subsection 1, a cannabis product manufacturing facility shall ensure that instruction is provided to a cannabis establishment agent before that person begins to work or volunteer at or provide labor as a cannabis

establishment agent to the cannabis product manufacturing facility. Such instruction must include, without limitation:

(a) Understanding the difference between concentrated cannabis, topical products and cannabis products, as applicable to the operations of the cannabis product manufacturing facility;

(b) The procedures used by the cannabis product manufacturing facility to create concentrated cannabis and cannabis products; and

(c) The proper procedures for handling concentrated cannabis and cannabis products, including, without limitation, the procedures used to prepare, produce, package and store such products as required by the provisions of the NCCR and chapters 678D and 678C of NRS.

6. In addition to the training set forth in subsection 1, a cannabis distributor shall ensure that instruction is provided to a cannabis establishment agent before that person begins to work or volunteer at or provide labor as a cannabis establishment agent to the cannabis distributor. Such instruction must include, without limitation:

(a) Procedures for the proper handling of cannabis plants, usable cannabis, concentrated cannabis and cannabis products;

(b) Procedures for the proper transportation and storage of cannabis plants, usable cannabis, concentrated cannabis and cannabis products; and

(c) Information regarding the type of driver's license which must be maintained for the loads expected to be transported.

6.140 Demographic information within the cannabis industry.

1. A survey approved by the CCB will be sent out at a minimum of once per year in order to gather comprehensive demographic information, including, without limitation, information regarding race, ethnicity, age and gender.

2. The following four categories of personnel shall be included in the survey:

(a) Owners of cannabis establishments;

(1) For publicly traded companies only consider owners who hold a 5 percent share or greater ownership in the company.

(b) Managers of cannabis establishments;

(c) Officers and board members of cannabis establishments; and

(d) Other holders of a cannabis establishment agent registration card.

3. The recipients of this survey are required to fully complete the survey and return their completed survey according to the survey instructions provided and within the deadline provided in the instructions. The survey may contain options for declining to respond to one or more questions, but a completed survey must still be returned, even if the recipient has declined to respond where that is an option.
