On behalf of our organization, the Chamber of Cannabis would like to acknowledge the impactful legislation working its way through the legislative process to reform antiquated cannabis laws and move the cannabis industry forward with more transparency and inclusivity.

We are grateful for the opportunity to voice our concerns and solutions to the Board and for the guidance and support provided thus far. We recognize the additional work ahead for the CCB as so many potential regulations will need to be promulgated. We look forward to what is to come and are happy to be a resource for the Board and a voice for the passionate leaders shaping the industry and community.

Thank you for your time and attention to pertinent issues facing Nevada's Cannabis Industry.
