Update: AB 341

AB 341 authorizes the CCB to license and regulate cannabis consumption lounges.

On July 9, the CCB notified all active and conditional adult-use cannabis retail stores that they may be eligible to hold a license for a retail cannabis consumption lounge.

The CCB has not yet scheduled any open licensing rounds. The CCB will make formal public notice ahead of accepting license applications for consumption lounges. Those interested in receiving information about public meetings, notices, and open application periods should subscribe, [here](#).

General questions regarding consumption lounges should be directed to:

CCBConsumptionLounge@ccb.nv.gov.

Frequently Asked Questions

Q: As many businesses return to pre-COVID

Q: Can I package usable cannabis and pre-rolls

operations, can cannabis sales facilities continue curbside pick-up sales?

A: Yes. Dispensaries approved to conduct curbside pick-up during COVID may continue to operate their approved curbside models.

The CCB is currently promulgating regulations regarding curbside pick-up as a permanent sales method.

Any dispensary wishing to begin curbside pick-up would need to submit their plan for CCB approval prior to starting operations.

at a production facility?

A: A cannabis production facility is permitted to accept cannabis from cannabis cultivation facilities per NRS 678A.090.

Nothing in statute or regulation prohibits a cannabis production facility from packaging and transferring/selling cannabis.
