All cannabis and cannabis products properly sold by a licensed sales facility or dispensary should have a product label on the packaging. The production run number can be found on the label, typically near the top, directly below the facility information.

The involved sales facilities are requested to display this bulletin in a conspicuous location on their premises for 30 days, to ensure their customers are aware of this information.

There are no known reports of illness. An investigation into these products is ongoing and may result in additional public health and safety bulletins.
