All cannabis and cannabis products properly sold by a licensed sales facility or dispensary should have a product label on the packaging. The name of the cultivation or production facility can be found on the label, typically near the top.

The listed sales facilities are requested to display this bulletin in a conspicuous location on their premises for 30 days, to ensure their customers are aware of this information.

There are no known reports of illness at this time. An investigation into the cannabis and cannabis products is ongoing and may result in additional public health and safety bulletins.
