- 12.065 Cannabis treated with radiation.
- 12.070 Advertising of cannabis.

12.010 Requirements for single packages.

1. Unless preparing bulk packages only for delivery to another cannabis establishment and not for sale to a consumer, a cannabis establishment that packages cannabis or cannabis products must individually package, label and seal the cannabis or cannabis products in a single package for sale. A cannabis sales facility shall only sell cannabis or cannabis products in a single package which must not contain:

- (a) More than 1 ounce (28.35 grams) of usable cannabis.
- (b) For a cannabis product sold as a capsule, more than 100 milligrams of THC per capsule or more than 800 milligrams of THC per package.
- (c) For a cannabis product sold as a tincture, more than 800 milligrams of THC.
- (d) For a cannabis product sold as an edible cannabis product, more than 100 milligrams of THC.
- (e) For a cannabis product sold as a topical product, a concentration of more than 6 percent THC or more than 800 milligrams of THC per package.
- (f) For a cannabis product sold as a suppository or transdermal patch, more than 100 milligrams of THC per suppository or transdermal patch or more than 800 milligrams of THC per package.
- (g) For any other cannabis product, more than 800 milligrams of THC.

2. An edible cannabis product must be packaged in a manner which indicates the number of servings of THC in the product, measured in servings of a maximum of 10 milligrams of THC per serving, and include a statement that the edible cannabis product contains cannabis and its potency was tested with an allowable variance of plus or minus 15 percent of the allowable limit.

3. For cannabis or cannabis products that are intended to be sold to a consumer, the text used on all labeling must be printed in at least 8-point font and may not be in italics.

12.015 Requirements for edible cannabis products, products in solid or liquid form, usable cannabis and concentrated cannabis or cannabis products.

1. Any edible product containing cannabis must:

- (a) Be clearly and unambiguously packaged as cannabis with the words “THIS IS A CANNABIS PRODUCT” in bold type that clearly identifies that the product contains cannabis;
- (b) Be packaged in a manner which is not modeled after a brand of products primarily consumed by or marketed to children;
- (c) Be presented in packaging which does not contain an image of a cartoon character, mascot, action figure, balloon or toy, except that such an item may appear in the logo of the cannabis production facility which produced the product; and
- (d) Not be packaged or marketed as candy.

2. When sold at a cannabis sales facility, any cannabis or cannabis product must be packaged in opaque, child-resistant packaging in accordance with 16 C.F.R. Part 1700 and the standards specified in subsection 3 or 4. The child-resistant packaging must maintain its effectiveness for multiple openings before leaving the cannabis sales facility with the consumer.

3. Except as otherwise provided in subsection 4, cannabis products in solid or liquid form must be packaged in:

- (a) Plastic which is 4 mils or more in thickness; or
- (b) If the product is in liquid form, a food-grade container.

4. Edible Cannabis products in liquid form containing more than 10 milligrams THC must be packaged using a resealable cap in a container that:
 - (a) Clearly demarks each serving of cannabis in a way that enables a reasonable person to intuitively determine how much of the product constitutes a single serving of THC; and
 - (b) Includes a device that allows a reasonable person to intuitively measure and serve a single serving of THC.→ The portion of such a container that demarks each serving of cannabis need not be opaque.
5. Any container or packaging containing usable cannabis, concentrated cannabis or cannabis products must protect the contents from contamination and must be of a food grade material.
6. An edible cannabis product must be sealed in a container which is not transparent and sold in packaging which is opaque.
7. Each single serving in a multiple-serving edible cannabis product must be physically demarked in a way that enables a reasonable person to intuitively determine how much of the edible cannabis product constitutes a single serving. Each demarked serving must be easily separable in a manner that allows an average person who is 21 years of age or over to physically separate, with minimal effort, an individual serving of the edible cannabis product.
8. If an edible cannabis product is of a kind that is impracticable to clearly demark each serving of cannabis with the dose in milligrams of THC, the edible cannabis product must:
 - (a) Contain not more than 10 milligrams of THC per unit of sale; or
 - (b) Be sold in a package that contains more than one individually wrapped single-serving edible cannabis product.

(Amended: 8/2021)

12.015 Requirements for packaging of edible cannabis products, products in solid or liquid form, usable cannabis and concentrated cannabis or cannabis products. (Packaging changes in this section become effective May 1, 2022)

1. Any edible cannabis product containing cannabis must:
 - (a) Be clearly and unambiguously packaged as cannabis with the words ***“THIS PRODUCT CONTAINS CANNABIS”*** and includes the warning ***“KEEP OUT OF REACH OF CHILDREN”*** in bold type that clearly identifies that the product contains cannabis;
 - (b) Be packaged in a manner which is not modeled after a brand of products primarily consumed by or marketed to children;
 - (c) Be presented in packaging which does not contain an image of a cartoon character, mascot, action figure, balloon or toy, except that such an item may appear in the logo of the cannabis production facility which produced the product;
 - (d) Not be packaged or marketed as candy;
 - (e) Include a Nevada universal cannabis symbol approved by the Board to indicate that the product contains cannabis; and
 - (f) The net weight of the product;
 - (g) A list of all ingredients and all major food allergens as identified in 21 U.S.C. § 343; and
 - (h) A notice that the actual amount of THC may be within 15 percent of the stated amount for the edible cannabis product;
2. When sold at a cannabis sales facility, any cannabis or cannabis product must be placed into a package or directly packaged in opaque, child-resistant packaging in accordance with 16 C.F.R. Part 1700 and the standards specified in subsection 3 or 4. The child-resistant packaging

must maintain its effectiveness for multiple openings before leaving the cannabis sales facility with the consumer.

3. Except as otherwise provided in subsection 4, cannabis products in solid or liquid form must be packaged in a food-grade material or container.

4. Edible cannabis products in liquid form containing more than 10 milligrams THC must be packaged using a resealable cap in a container that:

(a) Clearly demarks each serving of cannabis in a way that enables a reasonable person to intuitively determine how much of the product constitutes a single serving of THC; or

(b) Includes a device that allows a reasonable person to intuitively measure and serve a single serving of THC.

→ The portion of such a container that demarks each serving of cannabis need not be opaque.

5. Any container or packaging containing usable cannabis, concentrated cannabis or cannabis products must protect the contents from contamination and must be of a food grade material.

6. An edible cannabis product must be sealed in a container which is not transparent and sold in packaging which is opaque.

7. Each single serving in a multiple-serving edible cannabis product must be physically demarked in a way that enables a reasonable person to intuitively determine how much of the edible cannabis product constitutes a single serving. Each demarked serving must be easily separable in a manner that allows an average person who is 21 years of age or over to physically separate, with minimal effort, an individual serving of the edible cannabis product.

8. If an edible cannabis product is of a kind that is impracticable to clearly demark each serving of cannabis with the dose in milligrams of THC, the edible cannabis product must:

(a) Contain not more than 10 milligrams of THC per unit of sale; or

(b) Be sold in a package that contains more than one individually wrapped single-serving edible cannabis product.

(Amended: 11/2021)

12.020 Stamp or mold required for edible cannabis products; exception.

1. Except as otherwise provided in subsection 3, each single-serving edible cannabis product and each individual serving containing not more than 10 milligrams of THC of a multiple-serving edible cannabis product must be stamped or molded with a Nevada universal cannabis symbol approved by the Board to indicate that the product contains cannabis.

2. An edible cannabis product that is impractical to stamp or mold with a Nevada universal cannabis symbol, including, without limitation, bulk goods or powders, each individual serving must be individually wrapped with the Nevada universal cannabis symbol on the wrapper exemption from stamping or molding product must be requested on a form prescribed by the Board.

3. An edible cannabis product in liquid form which is packaged as required by NCCR 12.015 need not be stamped or molded as described in this section.

(Amended: 11/2021)

12.025 Requirements for labeling products “organic.” A cannabis cultivation facility, cannabis consumption lounge, or cannabis production facility shall not label usable cannabis, concentrated cannabis or cannabis products as “organic” unless the cannabis plants and all ingredients used are produced, processed and certified in a manner that is consistent with the national organic standards established by the United States Department of Agriculture in accordance with the Organic Foods Production Act of 1990, 7 U.S.C. §§ 6501 et seq.

(Amended: 7/2022)

12.055 Cannabis cultivation facility, cannabis production facility, cannabis consumption lounge, and cannabis sales facility: Required labeling. Each cannabis cultivation facility, cannabis production facility, cannabis consumption lounge and cannabis sales facility shall:

1. Use for labeling all cannabis and cannabis products the standard label described in NCCR 12.010 and 12.030 to 12.045, inclusive;

2. Exercise strict control over labeling materials issued for use in labeling operations for cannabis and cannabis products;
3. Carefully examine labeling materials issued for a batch for identity and conformity to the labeling specified in the applicable production or control records; and
4. Have and follow written procedures describing in sufficient detail the control procedures employed for the issuance of labeling.

(Amended: 7/2022)

12.060 Cannabis cultivation facility, cannabis production facility, cannabis consumption lounge, and cannabis sales facility: Examination of products during finishing operations; collection of representative sample of units; recording of results. Each cannabis cultivation facility, cannabis production facility, cannabis consumption lounge, and cannabis sales facility shall:

1. Examine packaged and labeled products during finishing operations to provide assurance that the containers and packages have the correct labels;
2. Collect a representative sample of units at the completion of finishing operations and ensure that the samples are visually examined for correct labeling; and
3. Record the results of the examinations performed pursuant to subsections 1 and 2 in the applicable production or control records.

(Amended: 7/2022)

12.065 Cannabis treated with radiation. If any cannabis or cannabis product has been treated with radiation at any time, any and all packaging of the irradiated cannabis or cannabis product must include labeling that contains the following statement: “NOTICE: This product contains ingredients that have been treated with irradiation” in bold lettering, along with the Radura symbol as used by the U.S. Food and Drug Administration.

12.070 Advertising of cannabis (Subsection 3 of this section becomes effective May 1, 2022). A cannabis establishment shall ensure that all advertising by the cannabis establishment contains such warnings as may be prescribed by the Board, which must include, without limitation, the following words:

1. “Keep out of reach of children”;
2. “For use only by adults 21 years of age and older”; and
3. Shall ensure that all advertising by the cannabis establishment contains:
 - (a) The name of the cannabis establishment; and
 - (b) The adult-use cannabis establishment Identification number assigned to the cannabis establishment by the Board.

If a cannabis establishment holds more than one license, the cannabis establishment must include any one of the adult-use cannabis establishment identification number or medical cannabis establishment identification number in all of the cannabis establishment’s advertisements.

4. A cannabis establishment shall not engage in advertising that in any way makes cannabis or cannabis products appeal to children, including without limitation, advertising which uses an image of a cartoon character, mascot, action figure, balloon, fruit or toy. The cannabis establishment shall ensure that the advertisement is not modeled after a brand of products primarily consumed by or marketed to children.
