Re: Lone Mountain Partners, LLC (RC122) – Petition for Additional Retests

To Whom It May Concern:

I am writing this letter on behalf of my client, Lone Mountain Partners, LLC (“Lone Mountain”). Please allow this correspondence to serve as Lone Mountain’s Petition for Additional Retests as it pertains to license RC122, Adult-Use Cannabis Cultivation License #78954038908132787261.

Pursuant to Nevada Cannabis Compliance Regulation 11.075 (7), a cannabis cultivation facility may request permission from the Cannabis Compliance Board for an additional 50 retests by filing a petition which includes:

- A list of the prior 50 lots that failed;
- What they failed for;
- Which cannabis independent testing laboratory performed the test;
- Whether the prior 50 lots passed pursuant to a retest; and
- Which cannabis independent testing laboratory performed the retest.

The requisite information has been compiled into a table which is attached hereto as ***Exhibit A.***

Please acknowledge if this request is approved. Should you have any questions or concerns, please do not hesitate to contact our office.

Sincerely,

CONNOR & CONNOR PLLC
