Public Health and Safety Bulletin 2023-02

The Nevada Cannabis Compliance Board (CCB) is hereby issuing Public Health and Safety Bulletin 2023-02 on April 22, 2023 advising consumers and patients to avoid or take caution when consuming the cannabis products which are the subject of this notice.

CCB agents discovered that the following batches/lots of useable cannabis had been treated with an unapproved pesticide, Ethephon (Florel brand), at Circle S Farms LLC (License #42836696676159179870 and 31797523194008903151):

Strain	Batch Number	Lot Number
Apple Fritter	23.02.13 5 AF 2	23102
Apple Fritter	23.02.13 5 AF	23101
Double OG Sour	23.02.13 5 DOGS	23533
Kush Mints	23.02.13 5 KM	23397
Kobe	23.02.13 5 KOBE	23237
Zummy Bearz	23.02.13 5 ZB 3	23251
Zummy Bearz	23.02.13 5 ZB 4	23252

The CCB is advising consumers to avoid consumption of the above products.

This is the second occurrence in which CCB agents have discovered the use of Ethephon, specifically Florel brand, a growth regulator being used in a cultivation establishment. This pesticide is not approved for use on cannabis by the Nevada Department of Agriculture.

There is no reason to believe the cannabis sales facilities or cannabis testing facilities had any knowledge of the use of this unapproved pesticide; Ethephon is not on the list of pesticides the testing facilities must look for, and their test methods are not set up for detection of Ethephon.

The affected cannabis was sold between March 23, 2023 – April 21, 2023, by the following cannabis sales facilities:

1. Circle S Farms LLC DBA CannaStarz, 631 S Las Vegas Blvd, Las Vegas, NV 89101 (License #00170400460138702033)
2. MMOF Vegas Retail Inc. DBA MedMen, 4503 Paradise Rd suite 210-240, Las Vegas, NV 89169 (License #04045523128584413069)

All cannabis products properly sold by a licensed cannabis sales facility should have a product label on or with the packaging. The name of the cultivation facility and batch/lot numbers can be found on the label, typically near the top.

The listed sales facilities are requested to display this bulletin in a conspicuous location on their premises for 30 days, to ensure their customers are aware of this information.

There are no known reports of illness at this time. For more information on Ethephon and Florel, please visit the following links:
