Good Afternoon,

I would like to provide public comment at the "**CAC Subcommittee on Federal Rescheduling Meeting - Sept. 1**" through remote appearance..

Can I receive instructions to join the meeting remotely?

My public comment for the record is:

"My name is Dan Steele. I'm a biochemist with much work experience in pathology and clinical sciences. I've self medicated with cannabis for nearly 2 decades. In my professional experience I have witnessed cannabis as a medicine will save lives. I look forward to providing more testimony and research as needed."

Best regards,

Dan
