Cannabis Transaction/Possession Limit Exchange Chart

Please be advised that per Senate Bill No. 277, effective January 1, 2024, the new transaction and possession limit has increased to two and one-half ounces of usable cannabis and one-fourth of an ounce of concentrated cannabis. A transaction exchange chart has been provided below for your reference.

It is recommended that all Sales (Dispensaries) facilities update their Point of Sale (POS) systems to reflect the change to ensure that transactions do not exceed the new limits. In addition, sales facilities should update their required signage to reflect the current limits by January 30, 2024.

Effective January 1, 2024, adults 21 years and older can legally possess cannabis in the following amounts:

- Up to 2.5 ounces of cannabis
- Up to 1/4 of an ounce of concentrated cannabis (the separated resin, whether crude or purified, obtained from cannabis)
