5.045 Cannabis consumption lounge prospective and conditional licenses. There is no guarantee that an applicant who meets the minimum scoring guidelines and is selected by the random number selector for a prospective license will also receive a conditional license. To receive a conditional license, an applicant must be found suitable by the Board only after a suitability investigation is completed by Board Agents.

1. In the event the number of licenses for a consumption lounge type are limited, and if the application meets the minimum scoring guidelines to qualify, the application will be entered into a random number selector to determine which applicants will be selected. If selected through the random number selector, the application will be eligible for a prospective license for a cannabis establishment. If there is no limit on the number of licenses to be awarded in any particular licensing period, a random number selector will not be used. However, the applicant must meet the minimum scoring guidelines before they can proceed to a suitability investigation by the Board Agents and suitability review by the Board to receive a conditional license.

2. If the applicant has met the minimum scoring guidelines on the application and was selected for a prospective license for a cannabis consumption lounge, the applicant must fully cooperate with Board Agents to conduct a suitability investigation.

As used in NRS 678B, diversity refers to minorities, women, and the inclusion of other persons of backgrounds which are disproportionately underrepresented. However, the inclusion of other underrepresented groups, including, but not limited to, veterans, persons with disabilities, and LGBTQ+, is encouraged.

The applicant must turn over any other documents requested by the Board. They must also facilitate in a timely matter any interview of an owner, officer, or board member requested by the Board or Board Agents. (Amended: 04/2024)

The applicant must file their petition with the Board within 30 days from the date on the written denial letter from the Board. The petition must explain why the Board's evaluation of suitability that resulted in the denial of the conditional license was improper and provide any other information and/or documentation for the Board's determination. (Adopted: 7/2022)

5.055 Selection of social equity applicants. Whenever the State of Nevada allocates licenses to social equity applicants during an open application period for a type of cannabis establishment license, a social equity applicant must meet the following criteria:

(Amended: 7/2022)

5.057 Lack of an ordinance from local governmental jurisdiction conclusively establishes no limit on business licensees for cannabis consumption lounges in local governmental jurisdiction. If, by the date that the Board issues a request for applications to operate a cannabis consumption lounge, a local governmental jurisdiction has not adopted an ordinance limiting the amount of business licenses issued to cannabis consumption lounges, then this conclusively establishes no limit exists in the local governmental jurisdiction for purposes of NRS 678B.327 for that specific application period.

(Adopted 8/2022)

If during an open application period the Board receives fewer applications than there are available licenses and the applications comply with NCCR 5.040, the applicants that have met the minimum scoring guidelines on the application will proceed to a suitability investigation by Board Agents and suitability review by the Board.
2. If an applicant who holds a final license for an adult-use cannabis retail store applies for a retail cannabis consumption lounge during an open application period, submits a application that complies with NCCR 5.040, and meets the minimum scoring guidelines on the application and any other requirements set forth in Title 56 of the NRS and the NCCR, the applicant will proceed to a suitability investigation by Board Agents and suitability review by the Board.

(Amended: 7/2022)

The Board will make the ultimate determination as to whether the request establishes financial hardship.

2. Initial requests for reducing fees pursuant to this section must be submitted at least 30-days before the 12-month deadline referred to in NCCR 5.085 subsection 1 expires.

(Amended: 7/2022)

5.070 Inspections.

1. Board Agents or the Executive Director may, at any time they determine an inspection is needed, conduct an investigation into the premises, facilities, qualifications of personnel, methods of operation, policies and procedures of any cannabis establishment and of any person proposing to engage in the operation of a cannabis establishment. An inspection of a facility may include, without limitation, investigation of standards for safety from fire on behalf of the Board by the local fire protection agency. If a local fire protection agency is not available, the State Fire Marshal may conduct the inspection after the cannabis establishment pays the appropriate fee to the State Fire Marshal for such inspection.
2. The Board will not issue a license for a cannabis establishment until the Board Agents complete an inspection of the cannabis establishment. Such an inspection may require more than one visit to the cannabis establishment.
3. Board Agents may conduct a preliminary walk-through of a cannabis establishment, upon request and subject to the availability of inspectors, to assist with questions and identify issues for correction before the inspection of the cannabis establishment. Before requesting a preliminary walk-through, a cannabis establishment must complete all construction and be near completion of all other requirements of the laws and regulations of this State. If a Board Agent conducts a preliminary walk-through at the request of a cannabis establishment, the Board will issue an invoice to the cannabis establishment for the costs of the preliminary walk-through, including, without limitation, travel and inspection activities.

4. In addition to complying with the provisions of chapters 372A and 678B of NRS and chapter 372A of NAC governing the imposition of an excise tax on cannabis establishments, a cannabis establishment may not operate until it has been issued a license from the Board.
5. The Board will not issue a license for a cannabis establishment until the Board has received a satisfactory report of full compliance with and completion of all applicable public safety inspections required by state and local jurisdictions, including, without limitation, fire, building, health and air quality inspections, except as otherwise provided in NCCR 5.075.

5.075 Authority of Board and Executive Director relating to inspections and investigations, summoning of witnesses and issuance of subpoenas, administration of oaths and administration of provisions of chapter.

1. Submission of an application for a license for a cannabis establishment constitutes permission for entry to and reasonable inspection of the cannabis establishment by the Board and Board Agents, with or without notice. An inspector conducting an inspection pursuant to this section does not need to be accompanied during the inspection.
2. The Executive Director may, upon receipt of a complaint against a cannabis establishment, except for a complaint concerning the cost of services, a complaint concerning the efficacy of cannabis or a complaint related to consumer service issues, conduct an investigation during the operating hours of the cannabis establishment, with or without notice, into the premises, facilities, qualifications of personnel, methods of operation, policies, procedures and records of that cannabis establishment or any other cannabis establishment which may have information pertinent to the complaint.
3. Board Agents may enter and inspect any building or premises at any time, with or without notice, to:

 - (c) Conduct an unannounced inspection of a cannabis establishment in response to an allegation of noncompliance with the NCCR or Title 56 of NRS.
4. The Board may:
 - (a) Summon witnesses to appear and testify on any subject material to its responsibilities under this chapter or Title 56 of NRS. No property owner and no officer, director, superintendent, manager or agent of any company or corporation, whose property is wholly in one county, shall be required to appear, without his or her consent, at a place other than the county seat or at the nearest town to his or her place of residence or the principal place of business of such company or corporation. Such summons may be served by personal service by the Executive Director or his or her agent or by the sheriff of the county.
 - (b) Except as otherwise provided in this paragraph, issue subpoenas to compel the attendance of witnesses and the production of books and papers and may seek to enforce the subpoenas by petition to any court of competent jurisdiction in the manner provided by law. The Board will not issue a subpoena to compel the production of books and papers that contain individually identifiable health information.
5. Any member of the Board, the Executive Director or any officer of the Board designated by the Board or Executive Director may administer oaths to witnesses.
6. The Board and Board Agents may:

- (d) Demand access to and inspect, examine, photocopy and audit all papers, books and records of any applicant or licensee, on his or her premises, or elsewhere as practicable, and in the presence of the applicant or licensee, or his or her agent, relating to the gross income produced by any cannabis establishment, and require verification of income, and all other matters affecting the enforcement of the policy or any of the provisions of this chapter or any chapter of Title 56 of NRS; and
 - (e) Demand access to and inspect, examine, photocopy and audit all papers, books and records of any affiliate of a licensee whom the Board knows or reasonably suspects is involved in the financing, operation or management of the licensee. The inspection, examination, photocopying and audit may take place on the premises of the affiliate or another location, as practicable, and in the presence of the affiliate or its agent.
7. Board Agents will enter and inspect at least annually, with or without notice, each building or the premises of a cannabis establishment to ensure compliance with the provisions of this chapter and Title 56 of NRS. Nothing in this subsection shall be construed to prohibit an appropriate local administrative authority from conducting an inspection of the facilities or operations of a cannabis establishment as provided by the ordinance of a local government.
 8. Board Agents will enter and inspect, with or without notice, any building or premises operated by a cannabis establishment within 72 hours after the Board is notified that the cannabis establishment is operating without a license for the cannabis establishment.
 9. Board Agents will inspect the medical cannabis establishment and the cannabis establishment of a dual licensee at the same time using the same inspection team to ensure consistency and efficiency. Board Agents will conduct such an inspection in a manner which is not unduly burdensome for the dual licensee.
 - 10 The Board or Board Agents may consult with any person or entity, as needed, in any of the Board's audits, inspections, and/or investigations. This includes, but is not limited to, allowing such persons or staff from said entities to accompany Board Agents during inspections, and/or investigations.
 11. The Board will administer the provisions of the NCCR and Title 56 of NRS for the protection of the public and in the public interest in accordance with the policy of this State.

1. If a cannabis establishment has not received a final inspection within 12 months after the date on which the Board issued a conditional license to the cannabis establishment, the cannabis establishment must surrender the license to the Board. The Board may extend the period specified in this subsection if the Board, in its discretion, determines that extenuating circumstances prevented the cannabis establishment from receiving a final inspection within the period specified in this subsection or if factors outside the control of the cannabis establishment caused a delay in satisfying the requirements of NRS 678B.320(1). Any request made under this subsection must be made in writing at least 30-days before the original 12-month period expires.
2. If a cannabis establishment surrenders a license to the Board pursuant to this section, the applicable licensing fee paid by the cannabis establishment is not refundable.

(Amended: 7/2022)

5.090 Notification to Board if cannabis establishment is closing; immediate surrender of license upon permanent closure. If the person or entity fails to renew its license within ninety (90) days of the expiration date, then the license shall be deemed voluntarily surrendered.

5.100 Grounds for denial of issuance or renewal of license; notice of denial; opportunity to correct situation.

1. The Board may deny an application for the issuance or renewal of a license for a cannabis establishment on any of the following grounds:
 - (a) Violation by the applicant or the cannabis establishment of any of the provisions of the NCCR or Title 56 of NRS.
 - (b) The failure or refusal of an applicant or cannabis establishment to comply with any of the provisions of the NCCR or Title 56 of NRS.

1. If a natural person who holds an ownership interest in a cannabis establishment of 5 percent or more on a fully diluted basis, dies, or becomes incapacitated and/or disabled, which thereby prevents said person from operating and/or managing a cannabis establishment in compliance with Nevada law:
 - (a) The cannabis establishment must notify the Executive Director as soon as reasonably practicable of the death, incapacity, or disability of said natural person, but in no event less than 5 business days after discovery of said death, incapacity, or disability. Such notice must include the full legal name of the natural person at issue and a description of the ownership interest held, including the percentage of ownership interest on a fully diluted basis. In addition, the cannabis establishment shall provide proof satisfactory to the Board of the death, incapacity, or disability. On such notice, the Executive Director may seek further information and/or documents to further investigate the deceased or incapacitated person's role in operating and/or managing the cannabis establishment. If the Executive Director determines said individual exercised significant control in operating and/or managing the cannabis establishment, the Executive Director may seek an order from the Board for the cannabis establishment to show cause why a cannabis receiver should not be placed over the cannabis establishment to take possession of, manage the operations of, and take any other actions necessary and authorized by the Board; or
 - (b) On the death of any natural person holding an ownership interest in a cannabis establishment of greater than 50 percent, whether directly or indirectly through one or more legal entities, said cannabis establishment must apply to the Board within 7 days of the discovery of the death for approval of a cannabis receiver over the cannabis establishment to take possession of, manage the operations of, and take any other actions necessary and authorized by the Board and/or a court, unless or until such time the Board determines such cannabis receiver is no longer needed. Said cannabis establishment must also file an action with the appropriate court seeking court appointment of a cannabis receiver within those 7 days.
 - (c) In cases where a successor or successors, as set forth in subsection (2), have undergone a successful suitability evaluation by the Board within the 6 months prior to the death, incapacity, or disability, the Board, at its discretion, may waive the receivership requirements of this regulation.
2. Within 120 days of the enactment of this regulation, for a natural person who holds an ownership interest in a cannabis establishment of greater than 50%, whether directly or indirectly through one or more legal entities, said cannabis establishment must provide the Board with a plan of succession of the ownership interest on said person's death, incapacity, or disability. Such a cannabis establishment must provide notice of any change to said plan of succession of the ownership interest within 5 business days of such change. The plan of succession and any subsequent changes thereto are not public documents and are confidential.
3. If the Executive Director, or in the Executive Director's absence, the Deputy Director, determines there could be an impairment of the health, safety, or welfare of the public due to

the death, incapacity, or disability of a cannabis establishment owner, the Executive Director, or in his or her absence the Deputy Director, may convene an emergency Board meeting either in person, via telephone, or via video conference, to determine whether to approve an application for a cannabis establishment agent registration card for a cannabis receiver to take possession and/or control of the subject cannabis establishment or whether a summary suspension must be imposed pursuant to NRS 233B.127(3). If the deceased, incapacitated, or disabled cannabis establishment owner was holding an ownership interest of greater than 50%, it will be assumed that there could be an impairment of the health, safety, or welfare of the public.

4. Within 30 calendar days, or longer if good cause is shown, of the death, incapacity, or disability of any natural person set forth in this regulation, the cannabis establishment at issue must seek approval for the transfer of the ownership interest from such natural person or their estate to another natural person or entity pursuant to NCCR 5.110, and the natural person or entity proposed to receive the deceased, incapacitated, or disabled natural person's ownership interest must meet all requirements of NCCR 5.110. Depending on the level of ownership interest, the degree of control of the cannabis establishment by the deceased, incapacitated, or disabled natural person, and/or any other factors the Board's Executive Director deems relevant, the Board's Executive Director may take measures to expedite the processing of the transfer of interest, if appropriate and feasible.

5. If the current cannabis receiver over a cannabis establishment has died or become incapacitated or disabled, the cannabis establishment must so notify the Executive Director as soon as reasonably practicable of the death, incapacity, or disability of said cannabis receiver, but in no event less than 5 business days after discovery of said death, incapacity, or disability.

6. Each violation and/or instance of failure to comply with any of the requirements of this regulation is a Category III violation, subjecting the offender and/or offenders to disciplinary action under NCCR 4.

(Adopted 11/2023)

5.175 Placement and appointment of a cannabis receiver.

1. The Court appointment of a receiver over a cannabis establishment must take place prior to the Board's approval of an application for a cannabis establishment agent registration card for a cannabis receiver, thereby placing the applicant as the cannabis receiver over the cannabis establishment, unless exigent circumstances require the Board immediately approve a cannabis receiver. Should such exigent circumstances exist, then the cannabis receiver, their counsel, or any other interested party must file a petition with the Court for appointment of a receiver within 14 days of the Board's approval of the cannabis receiver. Exigent circumstances may include, but are not limited to, the following: (1) the death, disability, and/or incapacitation of the owner of a cannabis establishment who had significant control over the cannabis establishment; (2) the cannabis establishment is in a state of financial distress that precludes or may preclude the safe operation of the business; (3) any ownership disputes or other situations that prevent the business from operating in compliance with Nevada law; (4) any other circumstances which could impair the health, safety, or welfare of the public; and/or (5) a cannabis receiver previously placed over the cannabis establishment and/or appointed by a court dies or has become incapacitated or disabled.

(a) If a court has appointed a receiver pursuant to chapters 32, 78, or 86 of the Nevada Revised Statutes, and/or any other provision of Nevada law, over a cannabis establishment, that receiver must apply for and secure approval from the Board to receive a cannabis establishment agent registration card for a cannabis receiver pursuant to NCCR 5.180, prior to operating the cannabis establishment. If any owner or creditor of a cannabis establishment, or any other person, seeks an order of appointment for a receiver from a court of competent jurisdiction over a cannabis establishment, that moving party or parties must name the Board as an interested party in any such court action and provide notice to the Board of the filing of such action within 14 days of the filing of such action. Any such action filed seeking the appointment of a receiver over the cannabis establishment must request that the order of appointment be subject to the Board's approval of an application for a cannabis establishment agent registration card for a cannabis receiver. The

requirements of this section also apply to any binding arbitration proceeding in which an appointment of a receiver is sought. The requirements of this section also apply, even if the parties to any action stipulate the appointment of a particular person as a receiver.

(b) If a court has not yet appointed a receiver pursuant to any provisions of Nevada law and the Board has approved an application for a cannabis establishment agent registration card for a cannabis receiver, any of the cannabis establishment's owners, the person holding the cannabis receiver agent card, or any other interested person, must apply for or make a motion for appointment of the Board's approved cannabis receiver with a court of competent jurisdiction within 14 calendar days of the Board's approval of placement of that cannabis receiver.

2. Upon the occurrence of the events or circumstances set forth in subsection 1, or contemporaneously therewith, a cannabis establishment or any one of its owners, creditors, and/or any other interested party may request the Board issue an order approving an application for cannabis establishment agent registration card for a cannabis receiver to take possession, control of, manage the operations of, and perform any other actions necessary for the subject cannabis establishment. On request from a cannabis establishment or any of its owners, creditors, and/or other interested party, the Board may hold a hearing on said request and hear from any owners or other interested persons opposed to the approval of the proposed cannabis receiver's application. After such hearing, the Board shall decide whether to approve the cannabis receiver's application. The Board may allow for an emergency meeting, if the Executive Director, or in his or her absence, the Deputy Director, determines there could be an impairment of the health, safety, or welfare of the public.

3. If the Board receives notice of, or otherwise discovers that, a cannabis establishment:

(a) Is, or is imminently to be, in a state of financial distress that precludes or may preclude safe operation of the business;

(b) Is involved in ownership disputes or involved in other situations that prevent the business from operating in compliance with Nevada law, such as the immediate resignation of the cannabis establishment's board of directors, managers, or other natural persons in control of the cannabis establishment;

(c) Has had a court filing requesting the appointment of a receiver over its operations or a court order for appointment of a receiver to take possession and charge of a cannabis establishment;

(d) Is the subject of an event or circumstances which could impair the health, safety, or welfare of the public; and/or

(e) Has an approved and/or court appointed cannabis receiver who has died or become incapacitated or disabled,

the Board may order a summary suspension of the license or licenses of a cannabis establishment pursuant to NRS 233B(3), or in the alternative to said summary suspension and to allow the cannabis establishment to continue operations, may order the placement of a cannabis receiver over the cannabis establishment and/or approve an application for a cannabis establishment agent registration card for a cannabis receiver, if such an application is pending. If such an application is pending, the Board may hold a hearing and hear from any owners of the cannabis establishment and other interested parties. After such hearing, the Board shall decide whether to approve an application for a cannabis establishment agent registration card for a cannabis receiver thereby placing the cannabis receiver over the cannabis establishment. The Board may allow for an emergency meeting if the Executive Director, or in his or her absence, the Deputy Director, determines there could be an impairment of the health, safety, or welfare of the public. If no such application is pending for Board approval of a cannabis receiver, and the Board determines a cannabis receiver is necessary pursuant to this subsection, any owner of the cannabis establishment or interested party (including a creditor) may propose a person to act as cannabis receiver and that person may file an application for a cannabis establishment agent registration card for a cannabis receiver with the Board pursuant to the NCCR. The Board may then consider approval of such person to receive a cannabis receiver agent card and set a hearing to consider such approval as set forth in this subsection.

4. If the Board does not approve an application for a cannabis establishment agent registration card for a cannabis receiver appointed by the court, the person or party who obtained the court appointment must propose a different natural person for cannabis receiver, that new proposed cannabis receiver must submit an application to the Board for approval and, upon approval by the Board, that person or party who proposed the new cannabis receiver, or the person now holding the cannabis receiver agent card, must apply for their appointment with a court of competent jurisdiction as set forth in subsection 1(b), above. This process shall be repeated, as needed, until final CCB approval and court appointment of the appropriate cannabis receiver is achieved.

5. If the Board approves an application for a cannabis establishment agent registration card for a cannabis receiver, thereby placing the applicant as cannabis receiver over the cannabis establishment prior to court appointment, and the court subsequently does not approve appointment of said cannabis receiver, the person or party who requested the application and appointment of that cannabis receiver must propose a different natural person for cannabis receiver, that new proposed cannabis receiver must submit an application to the Board for approval and, upon approval by the Board, that person who proposed the new cannabis receiver must petition or move the court for appointment of the new proposed cannabis receiver. This process shall be repeated as needed until final CCB approval and court appointment of the appropriate cannabis receiver is achieved.

6. If the Board orders the placement of a cannabis receiver pursuant to this regulation and no person has applied for approval of a cannabis receiver agent card, or no person is able or willing to act as cannabis receiver, within 10 calendar days of the Board's order for placement of a receiver, the Board shall hold a hearing, with notice to the cannabis establishment, to determine if summary suspension of the license is warranted, pursuant to NRS 233B.127 and NCCR 4.105, and may suspend the license of the cannabis establishment at issue until such time as a natural person is willing and able to act as a cannabis receiver over said cannabis establishment. If no person is able or willing to act as a cannabis receiver after 90 days from the Board's order of suspension, all licenses of the subject cannabis establishment must be deemed voluntarily surrendered. The Board may extend the deadlines in this subsection for good cause shown.

7. Prior to holding a hearing to approve the application of a cannabis receiver, the Chair of the Board may issue a conditional approval for a cannabis receiver applicant to receive a cannabis receiver agent card. The Board delegates such conditional approval to the Chair in circumstances in which the cannabis receiver applicant holds a valid certificate of qualification under NCCR 5.195, and/or has been appointed by a Court of competent jurisdiction, and/or has been approved to be a cannabis receiver over one or more licensees in the last two years, and/or when exigent circumstances exist that require the cannabis receiver applicant to begin exercising his duties as soon as possible, and/or in other circumstances that the Chair deems appropriate. Such conditional approval shall be valid until a subsequent regular Board meeting, at which time the Board will hold a vote for final approval. A cannabis receiver with conditional approval may commence his duties as a cannabis receiver on receipt of a temporary cannabis receiver agent card.

8. Unless exigent circumstances exist, in situations in which interested parties dispute whether a cannabis establishment should be placed into a receivership, the Board will defer to the findings of a court of competent jurisdiction on the issue as to whether a receivership is appropriate for the cannabis establishment at issue.

(Adopted 11/2023)

5.180 Application and requirements for a cannabis receiver.

1. A person who wishes to act as a cannabis receiver for a cannabis establishment must first apply for a cannabis establishment agent registration card for a cannabis receiver and comply with all requirements for obtaining a cannabis establishment agent card under NRS 678B.340.
2. If the court has appointed a receiver over a cannabis establishment prior to the Board's approval of said receiver, the receiver must notify the point of contact of the cannabis establishment, and all known owners of the cannabis establishment, of the court appointment, before the Board approves an application for a cannabis establishment agent registration card for a cannabis receiver over the cannabis establishment.
3. Prior to the consideration of approval of a cannabis receiver, the Board's agents may conduct a physical inspection, audit, or investigation with or without notice of the subject cannabis establishment to determine whether the cannabis establishment is in compliance with Nevada law.

 - (a) A resume or curriculum vitae updated within one month of submittal which describes and details the proposed receiver's experience as a court appointed receiver and business experience in the cannabis industry in Nevada and/or any other state. Should the receiver applicant have no experience in the Nevada cannabis industry, said applicant shall identify personnel or consultants with Nevada cannabis industry experience who will assist the applicant during the course of the receivership;
 - (b) Proof of liquid assets in at least the amount of \$250,000, proof of professional and/or E & O liability insurance covering the acts and/or omissions of the receiver for his duties as a cannabis establishment receiver, or proof of ability to finance the receivership through receivership certificates or other secure sources of funding;
 - (c) Proof that the proposed receiver has notified, or has made a good faith effort to notify, the point of contact and owners of record with the Board for the subject cannabis establishment of the proposed receiver's application and/or court appointment as a receiver;
 - (d) An affirmation that the proposed receiver does not hold an ownership interest in any cannabis establishment in Nevada and that the proposed receiver will not hold a cannabis receiver agent card for more than 10 percent of the cannabis establishments allocable in any one county;
 - (e) A list of all other Nevada cannabis establishments over which the proposed receiver has acted as a cannabis receiver, with an affirmation that the new placement as cannabis receiver will not result in any conflicts of interests with any prior or concurrent cannabis receiver placements; and
 - (f) An affirmation that the proposed receiver is fully independent and will not retain counsel who has represented the subject cannabis establishment or any of its owners within the past five years.
5. The Board may request and require the proposed receiver to provide any additional documents and/or information to assist the Board in determining the suitability of the receiver.
6. Upon receipt of all the required information and documents, the Board shall set and hold a hearing to consider approval of the cannabis receiver. At the discretion of the Executive Director, said hearing may take place on an emergency basis or may be held during a regularly scheduled Board meeting.

(Adopted 11/2023)

5.190 Duties and responsibilities of a cannabis receiver.

 - (k) Any other duties as ordered by a court of competent jurisdiction; and

2. A cannabis receiver may retain counsel to represent the cannabis receiver. A receiver may retain other counsel separate and apart from the receiver's designated counsel to represent the cannabis establishment in disciplinary actions, business matters, and/or any other matters in which the cannabis establishment requires legal representation.
3. A cannabis receiver shall remain in place and continue with his or her duties and responsibilities until the Board issues an order discharging the cannabis receiver. Any owner of the cannabis establishment in receivership or the cannabis receiver may apply for discharge of the cannabis receiver at any time, but the Board must approve the removal of the cannabis receiver by a majority vote at a public meeting. If the cannabis establishment license or licenses over which the receiver has been placed are sold or transferred to another person or entity, the Board may issue an order discharging the cannabis receiver on or after the Board's approval of that transfer of interest without a further vote.

A cannabis receiver, as the holder of a cannabis establishment agent card, is subject to all the requirements of Title 56 of the Nevada Revised Statutes and the NCCRs and is subject to disciplinary action for the receiver's violations of any statutes or regulations in the same manner as any holder of cannabis establishment agent registration card. The receivership estate for the cannabis establishment under receivership shall be responsible for any civil penalties imposed upon the cannabis establishment that do not involve the direct statutory or regulatory violations by the cannabis receiver.

6. The Board, or any other interested party, may seek the removal or replacement of a Board-approved, or court-appointed, receiver upon proof sufficient to the Board that the Board-approved, or court-appointed, receiver has not satisfied, or is otherwise unable to satisfy, those duties provided in this section.

(Adopted 11/2023)

5.195 Certificate of qualification for a cannabis receiver.

1. A natural person who wishes to be deemed qualified as a cannabis receiver may apply to the Board for a Certificate of Qualification as a cannabis receiver.

At said hearing, the Board may question the applicant and shall then vote on whether to award a Certificate of Qualification.

4. A Certificate of Qualification is valid for two years from the date of issuance and may be renewed thereafter every two years on a form approved by the Board.

5. The Board shall list on its website all current holders of Certificates of Qualifications.

9.
