FOR IMMEDIATE RELEASE

## **CCB to Accept Applications for Cannabis Establishments in White Pine County**

Nevada Cannabis Compliance Board (CCB) will issue cannabis establishment licenses for a cultivation and production facility. Only one cultivation and one production license will be awarded in White Pine County. The CCB will accept applications for 10 business days.

**Application period opens: July 15, 2024, 8:00 a.m. (PT)**

**Application period closes: July 26, 2024, 5:00 p.m. (PT)**

This marks the second time in agency history the CCB has conducted a cannabis establishment licensing round.

The application will be completed and submitted in the Accela Cannabis Customer Portal. Applicants can find detailed resources including step-by-step instructional videos and worksheets on how to prepare for the application period on the [CCB website](#).

Questions on the application and process may only be submitted to [CCBLicenseApp@ccb.nv.gov](mailto:CCBLicenseApp@ccb.nv.gov), so that answers to all questions can be posted on the CCB website to ensure all information is distributed equitably. White Pine County Board of Commissioners may have their own criteria for approval.
