Reason: Metrc is providing details for live webinar industry user training classes.		

Greetings,

This bulletin is intended to notify all industry users of the planned upcoming Metrc Live Webinar Workshop training this coming August 2024 for the State of Nevada CCB.

In accordance with instructions from the CCB, Metrc training requirements are as follows:

- One-time facility-specific training for all employees, facility managers, managing owners, officers, and board members.
- Annual advanced training for inventory managers, employees, facility managers, supervisors, directors, and managing owners **with access to the seed-to-sale tracking system.**
- Each user, or attendee, is required to register through **Metrc Learn**
- All attendees must have a Metrc Learn account and have taken the New Business Metrc Training.
