August 27, 2025

Beginning on Thursday, August 28th, 2025, Nevada Cannabis Compliance Board (CCB) will temporarily accept payments in-person.

As the CCB has shared this week, a network security incident within the State impacted Accela's payment capabilities.

The CCB will accept payments in both the North and South from 8am-5pm Monday-Friday (excluding holidays).

Payments will be accepted in the form of a business or personal check, cashier's check, or money order made out to the State of Nevada. **Cash payments will be turned away.** Agent Card applications **must** be complete before payment is dropped off.

As the State continues recovery from a network security incident, please note that **the CCB is not accepting payments via Accela.** Industry may send payments by mail or electronically upon notification Accela payment capabilities have been restored. No penalties will be incurred for payments impacted by the network security incident.
