SB 157 implementation will take place through the regulatory process. **Labs and cultivators do not need to make changes on October 1, 2025. Therefore, an educational webinar, focusing on SB 157, scheduled for Tuesday, September 30th at 10am has been canceled.**

Instead, Nevada Cannabis Compliance Board (CCB) will host workshops later this year to develop regulations for SB 157 and other cannabis-related laws.

The CCB apologizes for any disruptions. The agency is committed to upholding the integrity of both legislative and regulatory processes. Please contact laboratorytesting@ccb.nv.gov with any questions.

Thank you for your flexibility.
