

Nevada Cannabis Compliance Board

Meeting Minutes September 18, 2025

The Nevada Cannabis Compliance Board (CCB) held a public meeting beginning at 9:00 a.m. on September 18, 2025, at the Nevada Legislative Counsel Bureau located at 7120 Amigo Street, Room 6, Las Vegas, Nevada and 401 S Carson Street, Room 2134, Carson City, Nevada.

Cannabis Compliance Board Members Present:

Adriana Guzmán Fralick, Chair
Riana Durrett, Vice Chair
Dr. Vicki Mazzorana
Ondra Berry

Chair Adriana Guzmán Fralick called the meeting to order. Executive Director James Humm took roll. Chair Guzmán Fralick, Vice Chair Durrett and Member Mazzorana were present in Las Vegas. Member Berry was present via Zoom. Member Merritt was not present

Chair Adriana Guzmán Fralick read a statement into the record per Assembly Bill 64 of the 2025 Legislative Session: *Public bodies are no longer required to take public comment online or by phone if there is a physical location for the meeting.* We will continue to take online comments in September and October, but starting in November 2025, the CCB will only be taking in-person comments during monthly board meetings.

If you wish to provide public comment and are unable to attend in person, you can submit your comment in writing to ccbmeetings@ccb.nv.gov. To ensure your comment is received by the board in time for the meeting, please submit it by 5:00 pm the day before the meeting. All public comments will be posted on the CCB website.

Instructions to join the meeting via Zoom were read aloud.

I. **Public Comment**

There were no in person or online comments.

II. **Consent Agenda**

- A. Consideration of Approval of the August 21, 2025, Cannabis Compliance Board Meeting Minutes
- B. Consideration of Approval to Extend Final Inspection Deadline to July 01, 2026
 - 1. The Venue at SoL Cannabis LLC (CLA003)
- C. Consideration to Approve Withdrawal Request of TOI #2400050 for Blue Star Partners LLC (D105) and Planet 13 Holdings Inc.

Chair Guzmán Fralick asked for a motion.

Member Berry moved to approve the Consent Agenda.

Member Mazzorana seconded the motion. All Members said aye. Motion carried.

III. **Complaints**

A. Approval to Proceed with Disciplinary Action – Respondent A

B. Approval to Proceed with Disciplinary Action – Respondent B

Chair Guzmán Fralick asked for a presentation.

Executive Director Humm provided a summary of Agenda Item III; noting that Respondent A and Respondent B are unrelated, yet both face similar allegations of allowing a person under the age of 21 to enter and make a purchase from a cannabis dispensary. The Deputy Attorney General's office recommended the board proceed with disciplinary action following review of the violations. Mr. Humm stated the board had the opportunity to review the proposed complaints. Per NRS 678A.510, the board is required to make one of three possible determinations: Decline to proceed with discipline, authorize the Attorney General to enter settlement negotiations with the respective respondent with a return report,

or proceed with disciplinary action. Mr. Humm said the respondent can proceed with settlement discussions, even if disciplinary action is initiated and reminded the board a separate vote is needed for each respondent.

Chair Guzmán Fralick acknowledged the board reviewed the complaint and asked for discussion or a motion on Agenda Item III A and B.

Member Durrett moved to authorize service of the complaint on Respondent A.

Member Berry seconded the motion. All Members said aye. Motion carried.

Chair Guzmán Fralick asked for discussion or a motion on Respondent B.

Member Mazzorana moved to authorize the Executive Director and Nevada Attorney General's Office to service of the complaint and proceed with disciplinary action on Respondent B.

Member Berry seconded the motion. All Members said aye. Motion carried.

IV. **Clark NMSD, LLC (D186) – Status Check and Consideration of Additional Extension to Submit Transfer of Interest Application for D186 and prospective retail-attached consumption lounge (Case No. 2023-003)**

Emily Bordelove, Senior Deputy Attorney General appearing as counsel for the CCB, provided an overview of the request.

Ms. Bordelove reminded the board that settlement agreement case number 2023-003 was presented in January 2025 as part of a global settlement, specifically with a retail dispensary license under facility number D186 for respondent Clark NMSD LLC. A condition of the settlement was that the respondent would transfer the D186 license and the attached to new owners with an October 13 deadline to identify a buyer and submit a transfer of interest application, including all extensions. It was agreed that if there was any issue, the item would be brought before the board to discuss an extension. A buyer is identified, but there is a delay in submitting the application due to litigation involving ownership of the parent company. Ms. Bordelove introduced Amanda Connor.

Ms. Connor, on behalf of Clark NMSD LLC (D186), confirmed that a buyer is identified and there is ongoing litigation. A recent hearing occurred with a minute order from the judge related to the settlement and proposed transaction. She requested an extension where two extensions could be granted, for 90 days at a time to finalize everything with the settlement and purchase agreements, and to submit a transfer of interest to the CCB.

Brigid Higgins with Black & Wadhams, spoke on behalf of the receiver, Dotan Melech She noted that the order is circulated and will be submitted to the court on September 18 for approval.

Member Durrett asked how long it will take and for how long an extension is needed. She asked if it is necessary for the parties who dispute the settlement to sign off on the TOI.

Ms. Connor responded that a signature is not needed for the transfer of interest documents, but is needed on the settlement agreement, or alternatively a court order that enforces the settlement agreement is needed before the transaction can move forward.

Member Durrett asked if entry of the current pending order is needed. Ms. Higgins replied yes.

Member Berry asked for clarification of the extension request. Ms. Connor clarified the request is for two additional 90-day extensions and noted the current expiration date occurs in October 2025, making this the last opportunity to request an extension and future status check if needed prior to that date.

Chair Guzmán Fralick asked if the status check would occur after the first or second 90-day extension. Ms. Connor said the current requirement was the status check would occur before the second extension expired.

Member Durrett asked if the status check is to advise the board when the TOI was filed. Ms. Connor replied if a TOI is filed, a status check would not be needed; CCB staff could begin processing the TOI. The status check would occur if additional time were needed or to provide an update to the board.

Chair Guzmán Fralick for additional questions or for a motion.

Member Durrett moved to approve Agenda Item IV, Clark NMSD's request for two 90-day extensions with the anticipation that prior to the expiration of the extensions, a status check will occur to ensure that pending litigation is concluded, and the TOI request is filed.

Member Berry seconded the motion. All Members said aye. Motion carried.

V. **Consumption Lounges**

David Staley, Division Chief – Investigations and Enforcement provided an overview of the request for approval of a conditional license for a retail attached cannabis consumption lounge and for an independent cannabis consumption lounge by a social equity applicant. He advised that if approved, the applicants will need to complete necessary local approvals and final inspections from CCB's inspection and audit divisions prior to opening for business.

A. TRNVP098 LLC, Retail Attached Consumption Lounge (ACON-A22-00076)

Chief Staley detailed the applicant's plans to open a consumption lounge with a focus on providing a safe, legal place to relax, enjoy and learn about cannabis with like-minded individuals. All information required by CCB was submitted, allowing the approval to conditional license status. Mr. Staley noted no areas of concern were developed during the investigation and introduced Shane Terry.

Chair Guzmán Fralick welcomed Mr. Terry and asked how everything is progressing.

Mr. Terry acknowledged that recent years in the industry were challenging and clarified that the consumption lounge license is not for a location in Las Vegas, but in Storey County in Northern Nevada where local jurisdictional challenges exist.

Chair Guzmán Fralick noted the records show approval only for an attached lounge in Clark County, not Storey County and said this will have to be tabled until October. She asked for Mr. Terry's understanding regarding the attached lounge for Storey County. Mr. Terry stated the application was specifically for Storey County and no dispensary licenses are held for Las Vegas. He said they have one in Storey County and a few in Northern Nevada. He commented that a few suitable locations are identified but are not feasible due to the current zoning regulations and said the priority is to focus on the dispensary side for the attached lounge, and to secure some usable land.

Chair Guzmán Fralick commented there are additional items on the agenda and the board will return to this discussion.

B. Anikal LLC, Independent Social Equity Consumption Lounge (ACON-A22-00090)

Chief Staley provided an overview of the request for approval for an independent social equity consumption lounge in Las Vegas owned by Bernard Garth with a focus on the local market, providing cannabis cocktails, live entertainment, curated events, private spaces and a membership program. All information required by CCB was submitted, allowing the move to conditional license status. Mr. Staley noted no areas of concern were developed during the investigation and introduced Bernard Garth.

Chair Guzmán Fralick welcomed Mr. Garth and asked about his plans.

Mr. Garth said he was waiting for approval prior to securing a location and confirmed the consumption lounge will be called Infinity.

Chair Guzmán Fralick asked if the board had questions.

Member Durrett asked if Mr. Garth was in contact with other consumption lounge license holders for guidance since it is a tough business. Mr. Garth said he understands it is a difficult process and believes he is prepared.

Member Berry acknowledged it is tough and expressed his hope that Mr. Garth is prepared and taking steps to learn how to have the best opportunity for success with an awareness of the challenges and pitfalls.

Chair Guzmán Fralick said staff will be available to answer questions or direct him to any help he may need and asked the board for a motion.

Member Berry moved to approve Agenda Item VB, Conditional Independent Consumption Lounge License for Anikal LLC.

Member Mazzorana seconded the motion. All Members said aye. Motion carried.

Chair Guzmán Fralick asked for a motion to table Agenda Item VA. TRNVP098 LLC, Retail Attached Consumption Lounge (ACON-A22-00076)

Member Durrett moved to table Item VA.

Member Mazzorana seconded the motion. All Members said aye. Motion carried.

VI. **Requests for Transfer of Interest**

David Staley, Division Chief – Investigations and Enforcement, presented three transfers of interest.

A. Anikal LLC (ACON-A22-00090) (TOI #25003) transferring a portion of ownership interest to Erica Gillylen

Chief Staley stated TOIs 25003 and 25002 request approval for Bernard Garth to transfer 20% of his Anikal ownership to his wife, Erica Gillylen. Both will be involved in the operation of Anikal's consumption lounge. Mr. Staley noted no areas of concern were developed in connection with the investigation and introduced Bernard Garth and Erica Gillylen to the board.

Chair Guzmán Fralick asked to confirm that 20% is to be transferred to Mr. Garth's wife and commented that it is a simple transaction. She asked if the board had any questions or comments regarding the transfer or for a motion.

Member Berry moved to approve Agenda Item VI A, Anikal LLC (ACON-A22-00090) (TOI #25003), allowing a transfer of 20% interest from Bernard Garth to Erica Gillylen

Member Mazzorana seconded the motion. All Members said aye. Motion carried.

B. Indoor Garden Farms, LLC (C188, P124) (TOI #2500008) transferring licenses C188 and P124 to Sundae Co, LLC

Chief Staley stated TOI 2500008 requests approval for Indoor Garden Farms to sell its Carson City cultivation and production licenses to Sundae Co. He noted Sundae Co. assisted Indoor Gardens through a management services agreement since the relationship was approved by the board May 15, 2025.

Chief Staley said Sundae Co. is owned by Matthew Price, Nakul Patel and Jessica Green. He advised that an area of concern was developed in connection with the investigation, specifically Mr. Price owes outstanding tax liabilities to the Internal Revenue Service and to the State of Oregon, associated with his

Oregon cannabis operations during 2021. Mr. Staley noted that Mr. Price is making payments to extinguish the tax debt but a cumulative amount of approximately \$920,000 remains.

Mr. Staley introduced Alicia Ashcraft, Mina Mafua, Chad McCoy, Carissa McCoy, Ricky DeCarlo, Matt Price, Nakul Patel and Jessica Green.

Alicia Ashcraft of Ashcraft & Barr, representing Sundae Co. introduced Nakul Patel and Jessica Green appearing with her in Las Vegas, and Matt Price in Carson City along with representatives from Indoor Garden Farms.

Chair Guzmán Fralick said the items of concern will need to be addressed and asked for an affirmative presentation.

Matt Price said he has twenty years of experience in the cannabis industry and expressed that he is passionate about the cannabis space. Mr. Price provided history on the facility, noting it was shut down and is now profitable, with more than ten employees. He spoke about his business operations, conveying his confidence that by cultivating high-quality products, staying small and adaptable, that success will continue.

Ms. Ashcraft added that Sundae Co. has an approved management services agreement and has operated in the location for a few months in anticipation of the transfer of interest.

Mina Mafua, of Indoor Garden Farms stated that they are currently open and she will not be at the cultivation facility. The building was sold to Sundae Co., and after the transfer of interest Indoor Garden Farms will no longer exist.

Chair Guzmán Fralick asked the board for any questions or discussion.

Member Durrett asked Mr. Price about the outstanding tax liabilities to the State of Oregon and the IRS. Ms. Ashcraft responded that Mr. Price was part of a different group and this issue was previously addressed. The issue was related to his personal income, and the business did not have any tax deficiencies. Ms. Ashcraft said the deficiencies are being taken care of and he remains compliant.

Member Durrett asked Mr. Price whether he is an owner or manager. Ms. Ashcraft advised that he is a co-owner of Sundae Co, currently seeking transfer of interest, and not currently a licensee.

Member Berry asked Mr. Price about the relationship between business and personal and reassurance from a suitability and stability standpoint. Mr. Price noted he had previously received bad advice. He owned and operated five dispensaries in a large cultivation facility in Oregon, and he had tax liabilities, paid in full. He provided details about the penalty and stock pricing, noting he has active payment plans originating 10 years ago and he is in communication with the IRS regarding balances due.

Member Durrett cautioned that the board was extremely strict about taxes and if there was liability, there was a referral for discipline. She asked Mr. Price if his future approach is to never have outstanding tax. Mr. Price assured the board that he will never put the business where outstanding tax issues will occur.

Member Durrett said Nevada is tougher than Oregon; Mr. Price disputed her statement and said Oregon is a very saturated market, and Nevada has accepted his plan. He said the key is to not outgrow the business and said he plans to maintain a small, healthy facility. He acknowledged that Nevada regulations are more nuanced than Oregon's and protect everybody.

Chad Westom of Veracious Compliance Solutions addressed the board and explained that he assists licensees in Nevada and works with Sundae Co. on compliance issues, looking at data, potential audit issues, training and facility concerns. He explained that they take a proactive approach to compliance.

Chair Guzmán Fralick asked to hear from other speakers.

Jessica Green addressed the board, provided brief details on her background and relationship with Nakul Patel, and the start of the business with a facility in Reno, focusing on small batches. She affirmed there are no concerns with Matt Price and said she would not have entered a partnership with him if concerns existed.

Nakul Patel greeted the board and explained he is also partner in Sundae Co. and an attorney in Nevada with a background in tax law. Mr. Patel financed the bulk of the company and owns the building along with several different businesses in Las Vegas.

Chair Guzmán Fralick asked if the payment plans are with Oregon and the IRS. Mr. Price replied that payment plans are in progress and pending reinstatement following a reassessment that occurs every two years.

Member Mazzorana asked for the anticipated completion date of the tax burden for Oregon and the federal government. Mr. Price responded that there is an active global settlement and anticipates it to be completed by the end of 2029.

Chair Guzmán Fralick for additional questions or for a motion.

Member Durrett said she would like board discussion regarding a conditional approval with a status check set for one year to ensure the business does not have any outstanding taxes.

Member Berry agreed that approval, if granted, should be conditional with updates.

Chair Guzmán Fralick remarked that the cannabis industry in Nevada has changed, and requirements tend to be more forgiving in the current business climate. She expressed her wish for each business to succeed and for Nevada to be number one in cannabis. She asked Mr. Price how many employees there are in the corporation. He replied that there are ten employees and discussed the need to bring craft cannabis as an alternative to corporate cannabis to Nevada.

Chair Guzmán Fralick for additional questions or for a motion.

Senior Deputy Attorney General Allison Herr said it would be difficult to do a conditional approval of transfer. Once there is a transfer, a property right is attached and there is no standard to roll that back in one year. Approval can be granted with status checks. If the board is not satisfied with the report, recommendations could be made for discipline.

Member Durrett acknowledged that it should be an approval with a condition and asked what if tax liabilities exist in a year; would the CCB be able to impose discipline for an outstanding tax liability?

Ms. Herr replied that CCB could do so for next year, but it will change over time when taxation takes over. In 2026 there will be more stringent compliance available through a combination of actions between the tax and the CCB.

Chair Guzmán Fralick for additional questions or for a motion.

Member Durrett moved to approve Agenda Item VI B, Indoor Garden Farms, LLC (C188, P124) (TOI #2500008) transferring licenses C188 and P124 to Sundae Co, LLC with the condition that a status check occurs in one year to ensure there are no outstanding tax liabilities, other than those which exist today. Member Berry seconded the motion. All Members said aye. Motion carried.

C. TapRoot Holdings NV LLC (C151, P098, T083, RD670, RD671, RD672, RD674, RD675) (TOI #2500001 and #2500001A) transferring a portion of ownership interest to Last Thursday LLC, PV Ventures, LLC, and TR Tribe, LLC

Chief Staley presented TOI 2500001 and 2500001A requesting approval for an internal restructuring and addition of two new members: Nathan Joerger and Teresa Nakatani. TapRoot Holdings NV requested a waiver of NCCR 5.110 pursuant to 5.112 for transfers of less than 5%. Staff suggested that if approved, the waiver should expire on the next TOI agenda date. No areas of concern were identified. Chief Staley introduced Shane Terry, Nathan Joerger and Teresa Nakatani to the board.

Shane Terry thanked Chief Staley and the CCB team. He said the first part of the request is for approval of a convertible note to allow Last Thursday to convert into Tap Root's equity structure, and it is a traditional transfer of interest. The second part is more complicated and presents a creative way to stay within regulations while providing an employee option pool structure. which provides incentives for the people who deserve them.

Chair Guzmán Fralick congratulated Mr. Terry for thinking outside the of the box and finding a way to attract good team members and maintain them in a competitive market. She asked the board for any questions or discussion.

Mr. Terry added that he is working with CCB to get a very complicated organizational chart approved and noticed that the agenda item referred to some of the entities, but not one that was part of the application package. Chair Guzmán Fralick replied that although it is not mentioned in the agenda title it is fine, and his comment is noted for the record.

Chair Guzmán Fralick asked if the board had additional questions or for a motion.

Member Durrett moved to approve the transfer of interest under Agenda Item VI C, TapRoot Holdings NV LLC (C151, P098, T083, RD670, RD671, RD672, RD674, RD675) (TOI #2500001 and #2500001A) transferring a portion of ownership interest to Last Thursday LLC, PV Ventures, LLC, and TR Tribe, LLC with a waiver of NCCR 5.110 pursuant to 5.112 for transfers of interest less than 5% set to expire on the next agenda date.

Member Berry seconded the motion. All Members said aye. Motion carried.

VII. Security Interest

A. Request for Approval of Proposed Security Interest in TapRoot Holdings NV, LLC (C151, P098, T083, RD670, RD671, RD672, RD674, RD675) to Rock Real Estate LLC

Chief Staley presented the request by TapRoot Holdings NV for approval of a proposed security interest held by K. Nicole Asarch through Rock Real Estate LLC. He noted that Rock Real Estate has a conditional convertible promissory note to TapRoot which includes a conversion option to convert the debt to TapRoot. No areas of concern were developed during the investigation. Mr. Staley introduced Shane Terry and K. Nicole Asarch to the board.

Chair Guzmán Fralick restated the agenda item is a loan that is converted to equity.

Mr. Terry clarified that per NRS 678B.380, which states no company is allowed to provide security interest to a licensed entity without board approval. He said the request represents a traditional debt financing structure and there is no plan to convert. The approval will provide reassurance that if anything were to happen, they could convert to equity in the future. Mr. Terry said it was an unsecured loan that is being made secured.

Chair Guzmán Fralick asked if the board had additional questions or for a motion.

Member Mazzorana moved to approve Agenda Item VII, proposed security interest in TapRoot Holdings NV, LLC (C151, P098, T083, RD670, RD671, RD672, RD674, RD675) to Rock Real Estate LLC.

Member Berry seconded the motion. All Members said aye. Motion carried.

VIII. **Petition filed Pursuant to NRS 678B.633**

Chair Guzmán Fralick advised the board the first petition will be held in open meeting, and the second will be held in closed meeting.

A. Colton Skyler Mora

Chair Guzmán Fralick greeted Mr. Mora and invited him to introduce himself to the board.

Mr. Mora said he recently moved to a small town in Nevada and applied for a temporary agent card to work at a cultivation facility. He stated he has a criminal background, and because of this, his temporary agent card was denied. He acknowledged he made mistakes when he was a teenager and works to rehabilitate his mind, way of thinking and behavior patterns.

Chair Guzmán Fralick thanked Mr. Mora for submitting program completion documents and certificates. She asked if the employers would call CCB and if he would return to the same job with an approved agent card. Mr. Mora replied in the affirmative and said his boss was going to send an email to CCB confirming he will have the job. He asked for permission to call to ask if he would still have a job. Chair Guzmán Fralick said CCB will follow-up with his boss.

Chair Guzmán Fralick asked if the board had additional questions.

Member Durrett said it was impressive to see the changes that Mr. Mora made, congratulated him and wished him future success.

Executive Director Humm said CCB staff advised that an email is not yet received but could be processed if Mr. Mora sees it is sent after the meeting.

Mr. Mora thanked the board for allowing consideration of approval.

Member Mazzorana asked if it was for cultivation or dispensary. Mr. Mora said there is no dispensary because the population is 600. He explained the closest dispensary may be in Ely, Nevada. He said that he got a job with the city of Caliente but there were payroll issues, and he stopped working for them.

Chair Guzmán Fralick asked about his probation status. Mr. Mora completed parole in August 2025.

Chair Guzmán Fralick asked for a motion.

Member Berry moved to approve Colton Skyler Mora's petition for exemption.

Member Durrett seconded the motion with condition that CCB staff confirms the potential employment with any employer will confirm Mr. Mora has employment in a cannabis facility.

Member Mazzorana seconded the amended motion. All Members said aye. Motion carried.

B. Calvin Anthony Ruiz

The Board went into closed session for this matter. The Board came back on record following the closed session.

With Mr. Ruiz' approval, the board continued discussion in open session.

Member Berry asked Mr. Ruiz if he had ever been arrested in Pennsylvania.

Mr. Ruiz said he had not and continued stating that he has an issue in California. He was pulled over by police and subsequently fingerprinted. Mr. Ruiz was asked about addresses where he never lived, making it the second time he was made aware of an arrest that was not him.

Member Berry asked if he could confirm how long he lived in Nevada. Mr. Ruiz replied that he can confirm he has been a Nevada resident since 2018.

Member Durrett asked if it will be difficult to establish residency from 2018 to 2025.

Senior Deputy Attorney General Allison Herr said it could be established in several ways such as rental agreements, home ownership, utilities, tax payment history (tax return).

Member Berry said 2020-2025 residency would suffice.

Member Durrett wants to make sure he can accomplish this requirement and Member Berry said he is hopeful that council will work with him to support him with this request.

Member Berry expressed his support for temporary approval to clear up some of the possible inaccurate information.

Chair Guzmán Fralick confirmed Mr. Ruiz' understanding that proof of Nevada residency from 2020 through 2025 is needed because records show he was charged and / or arrested in 2020.

Ms. Herr suggested the board table the matter for 30 days to allow council the opportunity to work with Mr. Ruiz, to provide him with additional resources and address the record.

Chair Guzmán Fralick asked for a motion.

Member Durrett moved to approve the agent card with the condition of a 90-day status check at which time Nevada residency from 2020 through 2025 is shown and granting staff time to adequately research the record.

Member Mazzorana amended the motion to include a condition that a letter is received by CCB from the prospective employer.

Chair Guzmán Fralick asked for vote on the motion. All Members said aye. Motion carried.

IX. Briefing from the Chair and Executive Director

Chair Guzmán Fralick recognized the incredible efforts of the board staff and IT teams over the last few weeks due to significant IT disruptions in Nevada. She noted the staff's professionalism, dedication and calm demeanor under pressure made a difference, and extended gratitude and appreciation on behalf of the board.

Executive Director Humm echoed the appreciation for CCB's IT professionals every month at the board meetings and said the effort over the prior few weeks was incredible.

Mr. Humm noted housekeeping items resulting from the state IT issue:

- CCB cannot accept electronic payments and will notify everyone once this form of payment resumes
- On August 27, 2025, in response to the issues, CCB began to temporarily accept agent card and industry fees in person. Since this time, more than 215 agent card payments were collected allowing Nevadans to enter or maintain work in cannabis establishments.
- CCB accepts payments by mail. Accepted forms of payment are available on the website <https://ccb.nv.gov/industry/>

Mr. Humm thanked Chief Gilbert, his entire team and Program Support staff who made the process possible and efficient.

He advised that due to the continued recovery efforts in Nevada the anticipated regulatory workshops will be delayed, and more information will be provided as soon as possible, with a look toward workshops occurring in November 2025.

Finally, Mr. Humm announced the October 6, 2025, launch of the Nevada Cannabis Metric Catalog. The online database will include comprehensive item information, product location and lab results.

In closing, he thanked the team for setting up the meetings.

VII. **Next Meeting Date:** October 16, 2025

VIII. **Items for Future Agendas**

IX. **Public Comment**

There were no in person or online comments.

X. **Adjournment**

Meeting adjourned at 10:56 a.m.
