Good morning,

Dear Nevada Cannabis Compliance Board,

I hope this message finds you well.

On behalf of our team at Lazydaze Coffeeshop (2022 applicant), I am writing to respectfully request an update regarding the status of the standalone consumption lounge licenses in Nevada. We understand that, due to delays in openings and potential complications with some initial lottery winners, there may be available licenses that have yet to be acted upon.

Given our strong interest in participating in this innovative and responsible sector, we would like to formally request consideration for a standalone consumption lounge license should any become available.

Additionally, we would like to request this matter be added to the agenda for the next CCB public meeting, or alternatively, be provided with guidance on whether the remaining licenses may be opened to previous lottery participants or other qualified applicants.

We are excited about the opportunity to contribute to Nevada's progressive cannabis and hospitality industry and are fully committed to working closely with the Commission, the State of Nevada, and the City of Las Vegas to ensure a compliant, culturally relevant, and community-focused operation.

Please let us know the appropriate next steps or documents required to move this request forward. Can we be provided a conditional license? Will there be another lottery for the next round of stand alone lounges?

Thank you for your time and consideration.

We would like an opportunity to obtain a license in Las Vegas.

Thanks!!
